“ So sad to learn that Jane has passed...I have not seen her since childhood when I lived in Springfield. Jane's Mom and my grandmother were sisters; we often played with Jane and Gayle while her Mom was visiting with my grandmother. I wish I could attend the service but unfortunately I can not. Rest in heaven Jane. I know you were received in Heaven with open arms! God Bless!

“ So sorry to hear of Jane’s passing. Her mom and my Dad were sister and Brother. So many years have passed since we have seen each other. We both were raised in Springfield and haven’t seen her since we were very young. Couldn’t make the funeral but so sorry for her family and you are in my prayers.

“ The notice of Barbara's passing was received with deep sadness. She was a kind and gentle person with a big heart. She was a very effective teacher whose love for her students was self-evident. She had many challenges during her life that she met with fortitude and grace. She will be missed. From her cousin,

“ My first year of teaching, I was pretty much alone and had very few people I could count on. Barbara was one of the few that I could go to for help. She was a very kind person. You could tell she cared about others and that she had a passion for teaching. After she left my school, I became friends with her on Facebook and I loved hearing about her dogs, her new books, her home, cardinals and her strong faith in God. She was always positive and inspiring. I will miss her. I'm so sad that she is gone, but I know she is back home with her fur baby and with all those who loved her. Most importantly, she is now in the arms of her Lord and Savior, Jesus Christ. My condolences to her family.
