“ I met Kenny & Louise years ago through my brother and his wife. He was a nice gentle man. He would help you in anyway he could if he had it it was yours. He would take anyone in his home if they didn't have a place to stay that was just Kenny. He will be missed by many and never forgotten.

“ Condolences to the family. Kenny and I became good friends in high school. As often happens we lost contact in our adult life. Just like his dad he was a great person.
