“ Kenneth had an amazingly generous heart, and he was always ready to help.... even a stranger he would go out of his way for. He loved his family with his whole heart. He was the love of my life. Our hearts are broken. Please pray for our family.

“ Kenny Buck as we called him. You will be missed by all of us. Kenny never disrespected no one. He would give you the shirt off his back. If he had ten dollars on him and you asked for five he would give it to you. He loved his wife and children very much. He also loved and cared for his brothers and sisters and nieces and nephews even the great nieces and nephews. May you RIP KENNY BUCK., gone but never forgotten.
